

G-Shot 506

Advanced 5.0 mega pixel digital camera

The latest addition to the Genius G-Shot digital camera series is the 5.0 Mega pixel G-Shot 506. It uses a Li-ion battery charged by the USB interface and features a 2.7" color display and 5x digital zoom.

In addition, it also can record video clips in 720 x 480 or 640 x 480 resolution; take pictures in 11 scene modes: Auto, Smart, Portrait, Night, Program, Landscape, Transform, Backlight, Auction, Sport, and Smile Shutter. For the Transform mode, you can make minor modifications to the face shape. The Smile shutter automatically detects the smile and shoots it, so your photos always capture happy moments.
